## **7. Other Basic Digital Banking Features**

### **(A) Stop Payment Feature**

The stop payment feature within the Service is only for stopping payments on checks that you have written. This feature is accessible in the "Accounts" menu of the Service and provides a means to securely create your stop payment for processing.

**The stop payment feature within the Service should NOT be used to cancel transfers and Bill Payments.**

There is typically a stop payment fee associated with this feature. Please refer to our current fee schedule for additional information or contact us at (800) 275-7966 or (972) 716-7100.

Generally, requests received through the Service's secure e-mail feature will be processed within one (1) to two (2) Business Days. For urgent requests, we recommend that you contact our Customer Service Department.

We also offer a direct link for check reorders. This link will securely submit your reorder request directly to the check printer. In addition, in the Pay & Transfer menu, you can request the addition/removal of linked accounts. The secure file transfer feature within the Service provides a means for you to forward files to this institution in a secure manner. There may be additional fees associated with some of these services, such as when you reorder checks through the Service. Fees will be disclosed in our current fee schedule and/or at the time of your request.

There is no charge for basic digital banking services, such as view balances and account transfers.

There may be a charge for additional transactions and other optional services. You agree to pay such charges and authorize us to deduct the calculated amount from your designated Billing Account for these amounts and any additional charges that may be incurred by you. Any financial fees associated with your standard deposit accounts will continue to apply. Please refer to our current fee schedule for additional information or contact us at (800) 275-7966 or (972)716-7100.

This Financial Institution may change the applicable fees for the Services, or any portion thereof upon notice to you. You are responsible for any and all fees assessed by your Internet service provider, telephone or mobile device carrier. Any applicable fees will be charged regardless of whether the Service was used during the billing cycle.

Additional charges may apply for services such as: Positive Pay, ACH Origination, Wire Transfers, ACH Block and Filter, Remote Deposit Capture or NACHA File Imports. These fees may vary and are subject to separate agreements.

## **10. Enrollment Process**

You must complete the enrollment process to use the Service.

The digital banking enrollment process involves completing a secure online application that we will use to verify your identity. When you enroll for the Service, you agree to provide true and accurate enrollment information. You will also choose your Username and Password during the enrollment process.

Business Customers interested in our Treasury Services should contact us directly at 972-716-7347 or you may send us a secure message through the Service.

## **11. Linked Accounts**

When you first enroll for the Service, we will link all of your designated Eligible Accounts with the same account ownership to one Username. If you want to limit the accounts linked or the privileges assigned to an account, please contact us at (800) 275-7966 or (972) 716-7100 or send us a secure email message through the Service.

If the Eligible Accounts added to the Service are jointly held or have multiple signers, you agree that access to the information and all transactions initiated by the use of your Username and Password are authorized unless we have been notified in writing to cancel the Service.

## **12. Signature Requirements**

When any online transfer, ACH, wire transfer request or other Payment Instruction is initiated through the Service for your benefit, you agree that we may debit the designated Eligible Accounts without requiring your signature on the item and without any notice to you.

Authorized Users of Business Customers that may be assigned payment or transactional capabilities through the Service should be authorized by the Business Customer to make or approve electronic transfers, even though that person's authority to make transfers by other means may still require dual signatures.

If Authorized Users are not authorized persons on the signature card for each linked account, the Business Customer account owner(s) has the obligation to inform this Financial Institution of the new individual or individuals with such authority. Such notice must be given to this Financial Institution by calling us at (800) 275-7966 or (972) 716-7100. You may also write us at:

North Dallas Bank & Trust Co.

Attention: Customer Service

PO Box 801826

Dallas, TX 75380-1826

## **13. Account Balances**

Balances shown in your accounts may include deposits subject to verification by us. The balance reflected in the Service may differ from your records due to deposits in progress, checks outstanding, or other withdrawals, payments or charges. A transfer request may not result in immediate availability because of the time required to process the request. A transfer request must be made before the Business Day Cutoff time to be effective the same Business Day.

The balances within the Service are updated periodically and the Service will display the most current "as of" date on the accounts summary page (Home). There may be situations that cause a delay in an update of your balances. The Service will use

the most current balance available at the time of a transaction to base our approval for account transfers.

#### **14. Cancelling or Changing Transfers**

You cannot cancel a transfer after it has been entered into the system AND the information has been processed and/or transmitted to us through the Service; however, you can edit or change a transfer that is still "pending".

To cancel or change a pending transfer, use the following procedures:

1. Log in and make edits to the appropriate transaction.
2. Edits must be made before the cutoff time for each type of transfer scheduled to be processed the same Business Day
  - a. 3:00 p.m. for external transfers
  - b. 6:00 p.m. for internal transfers
3. You may edit a pre-scheduled (future dated/automatic) transfer any time before 6:00 p.m. on the Business Day before the scheduled transfer date.
4. For transfers, you can change the transfer amount to \$0.00, or
5. If you accidentally transfer funds, you can schedule another transfer to move funds back to the original account.

If you need to edit a pending or approved transaction after the applicable cutoff time, please contact us immediately; although in these situations, we may not have sufficient time to stop the transfer from further processing.

Separate agreements with Business Customers will detail the required timeframes for submitting and making changes to ACH transactions.

#### **15. Cancelling or Changing Wire Transfer Requests**

Customers may be authorized for online wire transfer services. In these situations, separate agreements will detail wire transfer limits and the required timeframes for submitting and making changes to these types of transaction requests.

If you have been approved for wire transfers, you may edit or delete these types of transactions prior to "approving" the transactions. You may only edit or "disapprove" a pending wire request or ACH batch transaction prior to the scheduled payment or settlement date.

When a wire transfer request is approved for the current date, it is transmitted to us for processing. If a change is necessary, you must contact us immediately; in these situations, we may not have sufficient time to stop the transaction from further processing.

#### **16. Transaction Limitations**

You may use the Service to check the balance of your Eligible Account(s) and to transfer funds among your Eligible Accounts at this Financial Institution and between this Financial Institution and your other financial institution(s). You must

have sufficient funds in your account to cover the amount of any online transfers or the transaction may not be processed.

## **17. Privacy**

We understand how important privacy is to our customers. We have taken steps to protect the privacy and security of your personal information as well as your financial transactions with us. You should read our privacy notice before completing the enrollment process for the Service.

### **(A) Disclosure of Account Information to Third Parties**

It is our general policy to treat your account information as confidential. However, we will disclose information to third parties about your account or the transactions you make ONLY in the following situations:

- Where it is necessary for completing transactions;
- Where it is necessary for activating additional services;
- To verify the existence and condition of your account to a third party, such as a credit bureau or Biller;
- To comply with the regulations or orders of a governmental agency or court orders; or
- If you give us your written permission.

Please refer to our privacy notice for additional detail on disclosure of account information.

## **18. Internet Security**

The Service utilizes a comprehensive security strategy to protect your accounts and transactions conducted over the Internet.

Username and Passwords - One of the main security features protecting the Service is the unique combination of your Username and Password. During the enrollment process, you will be asked to select a unique Username and Password. For security purposes, do not use your account number or social security number as your Username. Encryption and access controls are used to protect your Password within our database. If you need to reset your Password, you may use our online automated Password reset feature or you may contact this Financial Institution for assistance.

Because your Password is used to access your accounts, you should treat it as you would any other sensitive personal data.

- You should carefully select a Password that is difficult to guess.
- You should NOT use words based on your name, address, or other personal information.
- You must use special characters to increase security.
- You should NOT use dictionary words.

- You should keep your Password safe.
- You should memorize your Password and do NOT write it down.
- You should also change your Password occasionally, such as every 90 days.
- You should NOT share your Passwords with anyone, even Authorized Users.

When you enroll for the Service, you agree to change your Password immediately if you suspect that your Password has been compromised. This can be done at any time from the "User Settings" menu after you log on to the Service.

**NEITHER THIS FINANCIAL INSTITUTION NOR ITS SERVICE PROVIDERS WILL CONTACT YOU BY TELEPHONE, EMAIL OR TEXT MESSAGING REQUESTING PERSONAL INFORMATION, SUCH AS YOUR USERNAME, PASSWORD, CREDIT CARD NUMBER, ATM CARD NUMBER OR ATM PIN. IF YOU ARE CONTACTED BY ANYONE REQUESTING THIS TYPE OF INFORMATION, DO NOT PROVIDE ANY INFORMATION AND CONTACT OUR CUSTOMER SERVICE DEPARTMENT IMMEDIATELY AT (800) 275-7966 OR (972) 716-7100.**

Encryption – The Service uses the Secure Socket Layer (SSL) encryption technology for everything you do while using digital banking. Your browser automatically activates this technology when it attempts to connect to our Service. The Service requires a browser that supports 128-bit encryption, and we will warn you if your browser does not meet this requirement.

Whenever SSL is securing your communications, the browser will typically indicate this secure session by changing the appearance of a small icon of a padlock at the bottom of the screen from "open" to "locked". What this means to you is that your communications are scrambled from your browser to our servers at all times so no unauthorized party can read the information as it is carried over the Internet.

Certificate Authority - The servers hosting the Service have been certified by a certificate authority to assure you that you are talking to the Service instead of someone pretending to be us. By clicking on the lock within the Service, you can view the certificate to ensure it is valid.

Cookies - During your use of the Service, our Internet banking Service Provider will pass an encrypted session cookie to your computer that enables us to process multiple transactions during the session without having to provide a Username and Password for each individual transaction. You must accept this cookie to use the Service. The session cookie is stored on your computer's hard drive, identifying your computer while you are logged on. The session cookie does not contain any personal information. When you log off, close your browser, or turn off your machine, the session cookie will be destroyed. A new cookie is used for each session; thus, no one can use the prior cookie to access your account. Our Service Provider also uses persistent or "permanent" cookies to identify this Institution and

your computer as part of our enhanced security. The permanent cookies will remain on your computer's hard drive until you clear cookies with your browser. If you do not accept these cookies, you may not be able to use all the features of the Service.

Multi-Level Authentication - We use multi-level authentication (or enhanced security) to help prevent unauthorized access to your accounts. As part of our enhanced security solution, we may send you a One Time PIN (OTP) which can be used to help authenticate your login or transaction requests.

## **19. Your Security Obligations**

YOU ARE SOLELY RESPONSIBLE FOR THE MAINTENANCE, INSTALLATIONS, AND OPERATION OF YOUR COMPUTER INCLUDING BUT NOT LIMITED TO THE USE OF UPDATED ANTI-VIRUS PROTECTION.

NEITHER THIS FINANCIAL INSTITUTION NOR ITS SERVICE PROVIDERS SHALL BE RESPONSIBLE FOR ANY DELAYS, ERRORS, DELETIONS, FAILURES, OR DISCLOSURE OF PERSONAL OR BUSINESS ACCOUNT INFORMATION THAT MAY OCCUR AS A RESULT OF ANY VIRUS, TROJAN, SHARED PASSWORD, OR MALFUNCTION OF YOUR COMPUTER OR SOFTWARE OR YOUR FAILURE TO ADEQUATELY MAINTAIN AND SECURE YOUR COMPUTER AND SOFTWARE.

- All Authorized Users should sign-off after every session. While online sessions will automatically end after a period of inactivity, logging off can help protect you in case you accidentally leave your computer unattended.
- Refrain from using public computers (e.g., computers in a library, Internet café or hotel business center) to access your digital banking accounts. The security of public or shared computers cannot be assured.
- Always keep your computer's operating system and browser fully patched for critical security issues. We recommend use of the most current, fully patched, versions of Internet browsers for accessing the Service.
- Always keep your anti-virus and anti-spyware software current and routinely scan your computer, servers, and electronic media using reliable virus detection and anti-spyware products. Undetected or unrepaired viruses or malicious software (malware) may affect the performance of your computer, corrupt and destroy your programs, files, and even your hardware. Furthermore, undetected, or unrepaired viruses or malware may affect the security of online accounts and the privacy of personal information stored on your computer. If your computer is compromised by some form of malware, virus, or Trojan, you could unintentionally transmit sensitive account information or personal data to another third party or transmit a virus to other computers.
- Always use a firewall product (hardware and/or software), especially if you have a broadband Internet connection such as DSL or cable modem.
- If you use a wireless Internet connection to access your online accounts, make sure that the wireless network is encrypted.

Occasionally we may post important security notices on our website and/or send digital banking users security related notices or reminders; it is your responsibility to read all security notices.

## **20. Protecting Your Password**

When you or your Authorized Users accept the terms and conditions of this Agreement, you agree not to give or make available your Password or other means to access your account to any unauthorized individual(s). You are responsible for all transactions authorized or requested through the Service using a valid Username and Password, including those situations when your Username and Password are obtained due to compromise to your computer. If you permit other persons to use the Service with your Password, or other means to access your account, you are responsible for any transactions they authorize.

If you believe that your Password or other means to access your account has been lost or stolen or that someone may attempt to use the Service without your consent or has transferred money without your permission, you must notify us at once by calling (800) 275-7966 or (972) 716-7100 during customer service hours. You can also contact us by sending a secure message through the Service.

IF YOU OR YOUR AUTHORIZED USERS DISCLOSE YOUR PASSWORD TO ANYONE, AND/OR IF YOU ALLOW SOMEONE TO USE YOUR PASSWORD TO ACCESS YOUR ACCOUNTS, YOU ARE AUTHORIZING THEM TO ACT ON YOUR BEHALF AND YOU WILL BE RESPONSIBLE FOR ANY USE OF THE SERVICE BY THEM (E.G., SUCH AS WHEN YOU PROVIDE THIS INFORMATION TO A JOINT ACCOUNT HOLDER, AN EMPLOYEE, AN AGGREGATION SERVICE PROVIDER, OR WHEN YOUR PERSONAL COMPUTER IS COMPROMISED BY A KEY STROKE LOGGING VIRUS OR ANY OTHER TYPE OF MALWARE).

You agree that we may send notices and other communications, including Password change confirmations, to the current address shown in our records, whether or not that address includes a designation for delivery to the attention of any particular individual.

## **21. Our Liability for Failure to Complete Transactions**

We will use commercially reasonable efforts to make all your transfers properly. However, we shall incur no liability if we are unable to complete any transactions initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of ours, your Eligible Account(s) does not contain sufficient funds to complete the transaction, or the transaction would exceed the credit limit of your overdraft account (if applicable);
2. The Service and/or the payment processing center is not working properly, and you know or have been advised by this Financial Institution

- and/or its Service Providers about the malfunction before you execute the transaction;
3. You have not provided the Service with the correct Payment Account information, or the correct name, address, phone number, or account information;
  4. Your Eligible Account(s), including your Billing Account, is closed;
  5. If your computer, software, telecommunication lines were not working properly, and this problem should have been apparent to you when you attempted the transfer;
  6. The payment or transaction request involves funds subject to hold, dispute, restriction, or legal process we believe prevents their withdrawal;
  7. We have reason to believe that a payment or other transaction request may not be authorized by you or any third party whose authorization we believe is necessary; and/or
  8. Circumstances beyond control of the Service, our Service Providers, and this Financial Institution (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and we have taken reasonable precautions to avoid those circumstances.
  9. Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from any of your Eligible Account(s), this Financial Institution and/or its Service Providers shall be responsible for returning the improperly transferred funds to your Eligible Account.

## **22. Documentation and Verification of Payments and Transfers**

Information regarding Digital Banking transactions will be reflected on the account detail in the Service and in your regular account statement(s).

## **23. Provisions Applicable Only to Consumer and Sole Proprietors Deposit Accounts**

### **(A) Errors and Questions**

In case of errors or questions about your electronic transactions, you should notify us as soon as possible through one of the following methods:

- Contact us by using the secure messaging feature within the Service; or
- Write to us at:

North Dallas Bank & Trust Co.

Attention: Customer Service

PO Box 801826

Dallas, TX 75380-1826

If you think your statement is incorrect or you need more information about an electronic transfer transaction listed on the statement, we must hear from you no later than sixty (60) days after the FIRST statement was sent to you on which the problem or error appears. You must:

1. Tell us your name, relevant Service account number(s), and Username;
2. Describe the error or the transaction in question, and explain as clearly as possible why you believe it is an error or why you need more information; and,
3. Tell us the dollar amount of the suspected error.

If you tell us verbally, we may require that you send your complaint in writing within ten (10) Business Days after your verbal notification. We will tell you the results of our investigation within ten (10) Business Days after we hear from you and will correct any error promptly. However, if we require more time to confirm the nature of your complaint or question, we reserve the right to take up to forty-five (45) days to complete our investigation. If we decide to do this, we will provisionally credit your account within ten (10) Business Days for the amount you think is in error. If we ask you to submit your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not provisionally credit your account.

For errors regarding electronic transactions on new consumer accounts, we may take up to 90 days to investigate your complaint or question. We may take up to 20 Business Days to credit a new account for the amount you think is in error.

If it is determined there was no error, we will mail you a written explanation within three (3) Business Days after completion of our investigation. You may ask for copies of documents used in our investigation. We may revoke any provisional credit provided to you if we find an error did not occur.

### **(B) Consumer Liability for Unauthorized Transfers**

Tell us AT ONCE if you believe your Username or Password has been lost or stolen. Telephoning is the best way of minimizing your possible losses. You could lose all the money in your account (plus your maximum overdraft line of credit if applicable).

If customers who are Consumers tell us within two (2) Business Days after you discover your Password, Username used or other means to access your account has been lost or stolen, your liability is no more than \$50.00 should someone access your account without your permission. If you do not tell us within two (2) Business Days after you learn of such loss or theft, and we can prove that we could have prevented the unauthorized use of your Password, Username or other means to access your account if you had told us, you could be liable for as much as \$500.00.

If your monthly account statement contains transfers that you did not authorize, you must tell us at once. If you do not tell us within sixty (60) days after the statement was sent to you, you may lose any amount transferred without your authorization after the sixty (60) days if we can prove that we could have stopped someone from taking the money had you told us in time. If a good reason (such as a long trip or a hospital stay) prevented you from telling us, we may extend the period in our sole discretion.

## **24. Provisions Applicable Only to Business Accounts**

### **(A) Protecting Your Account(s)**

The Service will allow Business Customers to establish individual Usernames, Passwords, and privileges for each Authorized User. Transaction history is maintained for each Username.

**BUSINESS CUSTOMER(S) WILL BE SOLELY RESPONSIBLE FOR DESIGNATING AUTHORIZED USERS AND ASSIGNING PRIVILEGES WITHIN THE SERVICE.**

As a security measure, Business Customers should evaluate and implement the dual control features within the Service for ACH Origination and wire transfers.

### **(B) Sub-User Administration**

Sub-User Administration is an optional service for Business Customers that may be activated at any time after your initial enrollment. The Business Customer shall be solely responsible for designating both the Administrator and Sub-User Administrator.

A Sub-User Administrator may further authorize other individual Sub-Users who may be granted full or limited online access to the Eligible Accounts and may also be granted full or limited access to originate ACH transactions and/or wire transfers. Dual control should be established to help regulate the actions of multiple Sub-Users.

For security and auditing purposes, each Sub-User should be assigned separate Usernames and Passwords. All cash management activity is tracked at the Administrator level and is viewable by both the Sub-User originator and Administrator in the online history. Internal transfers are tracked for each Username.

A Sub-User Administrator inherits the privileges assigned by the Administrator. Notwithstanding the foregoing.
